The application shall be made within 1 year from date of the payment. A protest against a payment shall not be accepted as an application for its refund.

(d) When the application is based upon a claim that more than five payments of regular tax at either the 2-cent or the 6-cent rate have been made during a tonnage year, the application shall be supported by a statement from the appropriate Customs officer at the port where the application is submitted and from the appropriate Customs officer at each port at which any claimed payment was made verifying the facts and showing in each case whether refunds have been authorized.
